---

## Skills

Developer experience, documentation pipelines, continuous integration/deployment, agile development  
Go, AWS, JIRA, Sphinx, Bash, Objective-C, Ruby, Python  
woodworking, furniture design, bicycle maintenance, teaching

---

## Experience

### **Software Engineer** | Rigado | Oct 2016 – present

- Building and maintaining an in-depth, customer-facing documentation portal
- Continuously deploying new features to customer APIs and CLI tools
- Working with the Customer Success and Solutions Engineering teams to provide helpful and robust admin tools
- Helping the Support team to diagnose and solve customer issues
- Developing and maintaining strict processes for writing, reviewing, and deploying features

### **Owner, Designer, Craftsman** | Stoic Bear Woodworks, LLC | Jan 2012 – present

- Designing and building custom furniture
- Blending Mid-Century Modern, Art Deco, and Euclidean Geometry to create unique and functional forms
- Constantly turning things upside-down to see if they look better that way

### **Software Engineer** | Uncorked Studios | Nov 2013 – Oct 2015

- Collaborated with designers and producers to come up with creative solutions to left-field problems
- Practiced self-management with high rate of task-switching between customer needs and internal agency projects
- Developed and demonstrated prototype and early versions of web and mobile applications
- Engineered wood, metal, and electronics to provide proof-of-concept for physical products

### **Interface Engineer** | Upstart Labs | Jan 2012 – Oct 2013

- Jumped head-first into app development as an entry-level programmer, complete with learning languages and frameworks on the job, as well as attending relevant conferences
- Worked closely with early-stage startups and in-house designers to build-and-rebuild-prototypes and MVPs for web and iOS

## Achievements

Local Mastery Program | Northwest Woodworking Studio | 2017  
Bachelor of Science, Mechanical Engineering | Carnegie Mellon University | 2011  
Eagle Scout | Boy Scouts of America | 2007
